All decals are designed to be installed on the outside of the glass, or any smooth surface.  
 All magnetic signs are to be installed on clean and dry steel surfaces. Make sure the surface is dry.  
 Simple instructions are included with each decal. Each decal is made from High Performance Automotive-Grade vinyl, and should last 3-5 years. Clean decals with water or Windex. NEVER USE ALCOHOL.

**We design and create custom decals for all businesses, clubs, schools, organizations.  
Call us today for the ultimate in business promotional signs, banners and graphics.**
